

**Introducing the
HORIZON® Store**

Easily Order Online

The HORIZON Store is a fulfillment system providing greater efficiency and information with the ease of placing your own product orders. The process is simple- browse your account's available test packages and sampling materials, add them to your cart and check out. This allows you to place orders directly from your HORIZON online account. It's that easy!

Independent Fulfillment

POLARIS Laboratories® has advanced the ordering process for our customers. The HORIZON Store provides enhanced product fulfillment and ordering for:

- Test kits
- Jars and mailers
- Sampling supplies
- Other materials

Enhanced Descriptions

Test kits, jars and mailers and sample supplies come with complete item descriptions and photos, enhancing the ease of ordering the correct supplies.

Convenient Ordering Possibilities

Track your order status from placement to delivery, easily duplicate previous orders and set recurring monthly orders, all conveniently within your HORIZON account.

Ready to get started? Contact your account manager and we'll get you set up with the HORIZON Store.

**Proven Impact
Proven Uptime
Proven Savings**
